EXPERIENCE

Prior to joining RMC Group Evan had several years' experience in the insurance industry, working as a claims resolution specialist and claims team manager. He has helped train representatives to serve in reconciling complex weather-based losses.

Evan was recognized as a valuable estimating resource and peer to peer trainer across northern Texas, providing quality and accurate claim evaluations with regular and thorough analysis of policies, procedures, laws, rules, and regulations applicable for jurisdictional compliance. He has provided litigation assistance for over 300 property claims and prepared professional written communications for both plaintiff and defense council.

FEATURED PROJECTS

- **2023 School Fire**
Establish a scope of work, price, and period of restoration for a severely fire-damaged elementary school. Over 50% of the building sustained catastrophic damage (Project totaling \$8M).
- **2023 City Waste Treatment Facility**
Provided valuation, reconstruction, and estimation consultation of a water treatment and distribution systems severely damaged by a tornado. Systems included wastewater treatment, raw water treatment, water towers, and pump stations (Project totaling \$11M).
- **2022 Hurricane Ian Response - Retirement Community**
Lead a team of consultants on a 195-location mixed residential complex to evaluate wind related damages to hospitals, a golf course, restaurants, single family dwellings, low-, mid-, and high-rise apartments, common areas, and a central chiller distribution facility. (Project totaling \$62M).
