

**ALAN DOYLE**

Executive Building Consultant

[SUBMIT ASSIGNMENT](#) a.doyle@rmcteam.com
newloss@rmcteam.com M (903) 512-4964
O (913) 601-4546 Houston, TX**EXPERIENCE**

Alan Doyle joined RMC Group in 2023 as an Executive Building Consultant, bringing more than 25 years of construction, restoration and construction services experience and a full understanding of commercial and residential building envelopes. He specializes in fire, wind, hail, water, construction defects and destructive forces and ensures project compliance with local code requirements.

Alan is an expert at leading teams, outlining project scope, conducting site inspections, and analyzing repair recommendation reports. He has proven success in estimating repair cost, generating comprehensive damage reports, and communicating project deadlines with teams and clients

FEATURED PROJECTS

- **Hurricane Ian, Newport, FL - 2022**
Organized and tracked daily inspection teams/ locations while providing daily progress reports to the client. Reviewed all inspection photos and field notes, created rough order of magnitude and repair estimates for each location in addition to providing a comprehensive loss analysis with summary. Valued at \$5M.
- **Aimbridge Hospitality, Texas, Freeze - 2021**
Create project budget, conduct site inspections for 18 hotels throughout Houston, San Antonio and Austin. Obtain all loss-related documentation from hotel management including any repair invoices, proposals, loss photos. Document all loss-related damage, determine rough order of magnitude, write repair estimates and comprehensive loss analysis with summary for all locations. Valued at \$2.8M.
- **Tornado, Dallas, TX - 2019**
Assisted with conducting valuations and rough order of magnitudes. Conducted building repair cost and comparison analysis, reviewed sub-contractor proposals and reviewed inspection documentation. Valued at \$58M.
