EXPERIENCE

Clint joined RMC Group as a Senior Building Consultant in 2023 and brings with him nearly 15 years of experience in the insurance industry.

Prior to joining RMC, he worked as an Independent Adjuster where he handled a variety of commercial and residential losses including damages caused by fire, water, lightning, vandalism, theft, auto impacting structures, and hazmat claims.

FEATURED PROJECTS

- **Hurricane Ian - 2022**
Assigned a full workload of both residential and commercial claims ranging from total losses to minor roof and elevation damages. Managed two additional general adjusters to gain the needed information and documentation to complete commercial losses assigned.
- **Camp Fire - 2018**
Assisted in insurance company in handling 20 total loss, residential claims. Maintained constant communication with the insureds, completed scope work and estimation in a timely manner.
- **Carr Fire - 2018**
Handled scope work and stick framed estimates for each of the claims assigned while maintaining communication with the insured.
- **Hurricane Michael - 2018**
Assessed and estimated damages on over 70 claims in a 3 week time-frame.
- **Superstorm Sandy - 2012**
Handled a variety of damages related to wind and water. Accurately closed over 70 claims over the span of one month.
