UT**EXPERIENCE**

Beau Howell joined RMC Group as a Building Consultant in 2023, and has been working in the restoration industry for over a decade. As a technician he handled demolition and reconstruction of fire and flood losses, and his time as claims adjuster provides valuable insights into insurance procedures and effective communication with contractors and the insured.

Beau takes great pride in his customer service and prioritizes maintaining active communication with his clients to ensure projects are completed within budget and in a timely manner.
