EXPERIENCE

Brandon's experience and focus is primarily in our Temporary Healthcare Services and Specialized Consulting. He has an extensive understanding of the Medical/Dental Practice industry, the detailed values of the equipment as well as the installation and various components of a medical/dental office. Brandon understands the inner workings and functional needs of a business in order to maintain a successful operation during a catastrophic loss.

FEATURED PROJECTS

- **Hurricane Ian, 2022**
Consulted on and managed damage assessments of many multi-million dollar multi-unit condo communities, over 100 high net worth custom homes, and various schools and education facilities throughout the state of Florida following Hurricane Ian.
- **Texas Winter Storm Uri, 2021**
Senior Building Consultant - handled commercial, assisted living, medical facilities throughout Texas.
- **Hurricane Sally, 2020**
Consulted and managed damage assessments of multi-million dollar multi-unit apartment and condo communities in the Florida/Alabama area following Hurricane Sally.
