EXPERIENCE

Brandon has over 14 years of experience assessing large residential and commercial property losses, including mitigation oversight, restoration estimating, and loss of use/business interruption analytics. He has handled losses resulting from fires, floods, tornadoes, hailstorms, construction defects and issues of general liability. He has served in long term deployments for disaster relief on major catastrophes such as wild fires and hurricanes.

Brandon has extensive experience with litigated files, negotiations and alternative dispute resolution. He has served as an impartial and unbiased appraiser and umpire on numerous disputed matters. Such cases include but are not limited to residential and commercial property damage claims as a result of fire, water, wind, and hail damage.
