EXPERIENCE

Jared has been in the construction industry for over 13 years, beginning as a project engineer in new construction, specializing in metal studs, drywall, and acoustical ceiling treatments. Jared has overseen coordination of manpower, materials, and delivery of equipment. Jared has managed as many as 15+ jobs at a time, ensuring specifications are followed, work progressed on schedule and within budget.

Jared joined RMC Group in 2013 as a building consultant and project manager. Jared has strived for excellence throughout his time, advancing as a Senior Building Consultant, Executive Building Consultant, Director, and now VP of Consulting. Jared's vast understanding of building science and construction methodology, while working alongside major general contractors ensures that claims are handled timely, efficiently, and ethically.
